PROPOSED EXTERIOR / CONCEPT RENDERING

Room to gather. Inside and out.

Proposed rear exterior · Concept rendering

A place to settle in.

A covered terrace opens to a landscaped lawn, with a stone firepit and seating envisioned for evenings outdoors.

Mountain-home character.

Weathered taupe wood, natural stone accents and generous glass bring a quiet, cohesive palette to The Pintler.

Conceptual design; final materials, landscaping and features are subject to confirmation.

Open living. A grand sense of space.
